PREGNANCY & BABY CARE · EGYPT

Kido Care

Care for mom, love for baby.

Follow your pregnancy week by week, book a doctor, and keep track of your baby's vaccines, all in one friendly website.

01 · WHY So many questions, so little time. أسئلة كثيرة ووقت قليل

THE PROBLEM المشكلة

Advice is scattered and confusing

Pregnant women and new mothers hear advice from family, friends and social media, and it often disagrees. It is hard to know what is normal this week, which test is due, and when to call a doctor.

OUR SOLUTION الحل

One calm place for mom and baby

Kido Care puts weekly guidance, doctors, vitamins and a vaccine checklist in one simple website. Clear warning signs tell a mother when it is time to call her doctor.

Pregnancy Week by Week

Here's what to expect and do each week.

Week 20

Second Trimester · 20 weeks to go

Your baby is about the size of a banana.

Baby Development
Halfway there! The baby swallows amniotic fluid, and the organs can be checked in detail.

How You May Feel
Your belly button may pop out, and movements feel clearer.

What To Do This Week
- Attend the anatomy scan.
- Ask your doctor to explain every result.
- Start noticing a daily movement pattern.
- Think about your delivery hospital.

Tests & Check-ups
- Detailed anatomy scan (weeks 18–22)

Eating & Care
Keep eating iron-rich foods; anemia is common now.

Week 20: the baby is about the size of a banana. Five boxes say how the baby grows, how you may feel, what to do, which tests are due and what to eat, with the warning signs for this trimester below.

- **Pregnancy week by week**
  37 weeks, from week 4 to week 40, each with tips, tests and food advice.
- **Baby month by month**
  Six stages, from newborn to the first birthday.
- **Book a doctor**
  39 pregnancy doctors and 20 pediatricians. Pick a date and one of 8 time slots.
- **Ask a doctor**
  Send a question with your phone number so a doctor can reply.
- **Medicines and vitamins**
  10 items with prices in EGP. Choose how many and where to deliver.
- **Checklists and Kido Bot**
  Tick 11 pregnancy and 8 baby vaccines and tests. Kido Bot answers simple questions in English and Arabic.

Kido Bot 🤖

Ask me a simple question. For medical advice, always ask your doctor.

I feel nausea every morning

Try small meals, drink water often and avoid empty stomach. If you cannot keep fluids down, call your doctor.

when should I book a doctor?

Open the Doctors page and press Book Now, or send your question on the Consultation page.

I have bleeding

⚠️ This may be serious. Please call your doctor or go to the nearest hospital now.

Kido Bot: "bleeding" gets an urgent warning.
