SPORTS RECOVERY · EGYPT

Vivestand

Your way back to sport.

Pick your injury and get a recovery plan, find a sports doctor, try a free 10-minute online session, and shop second-hand gear for your sport.

01 · WHY Getting hurt is easy. Getting back is confusing.

THE PROBLEM المشكلة

Hurt, and lost about recovery

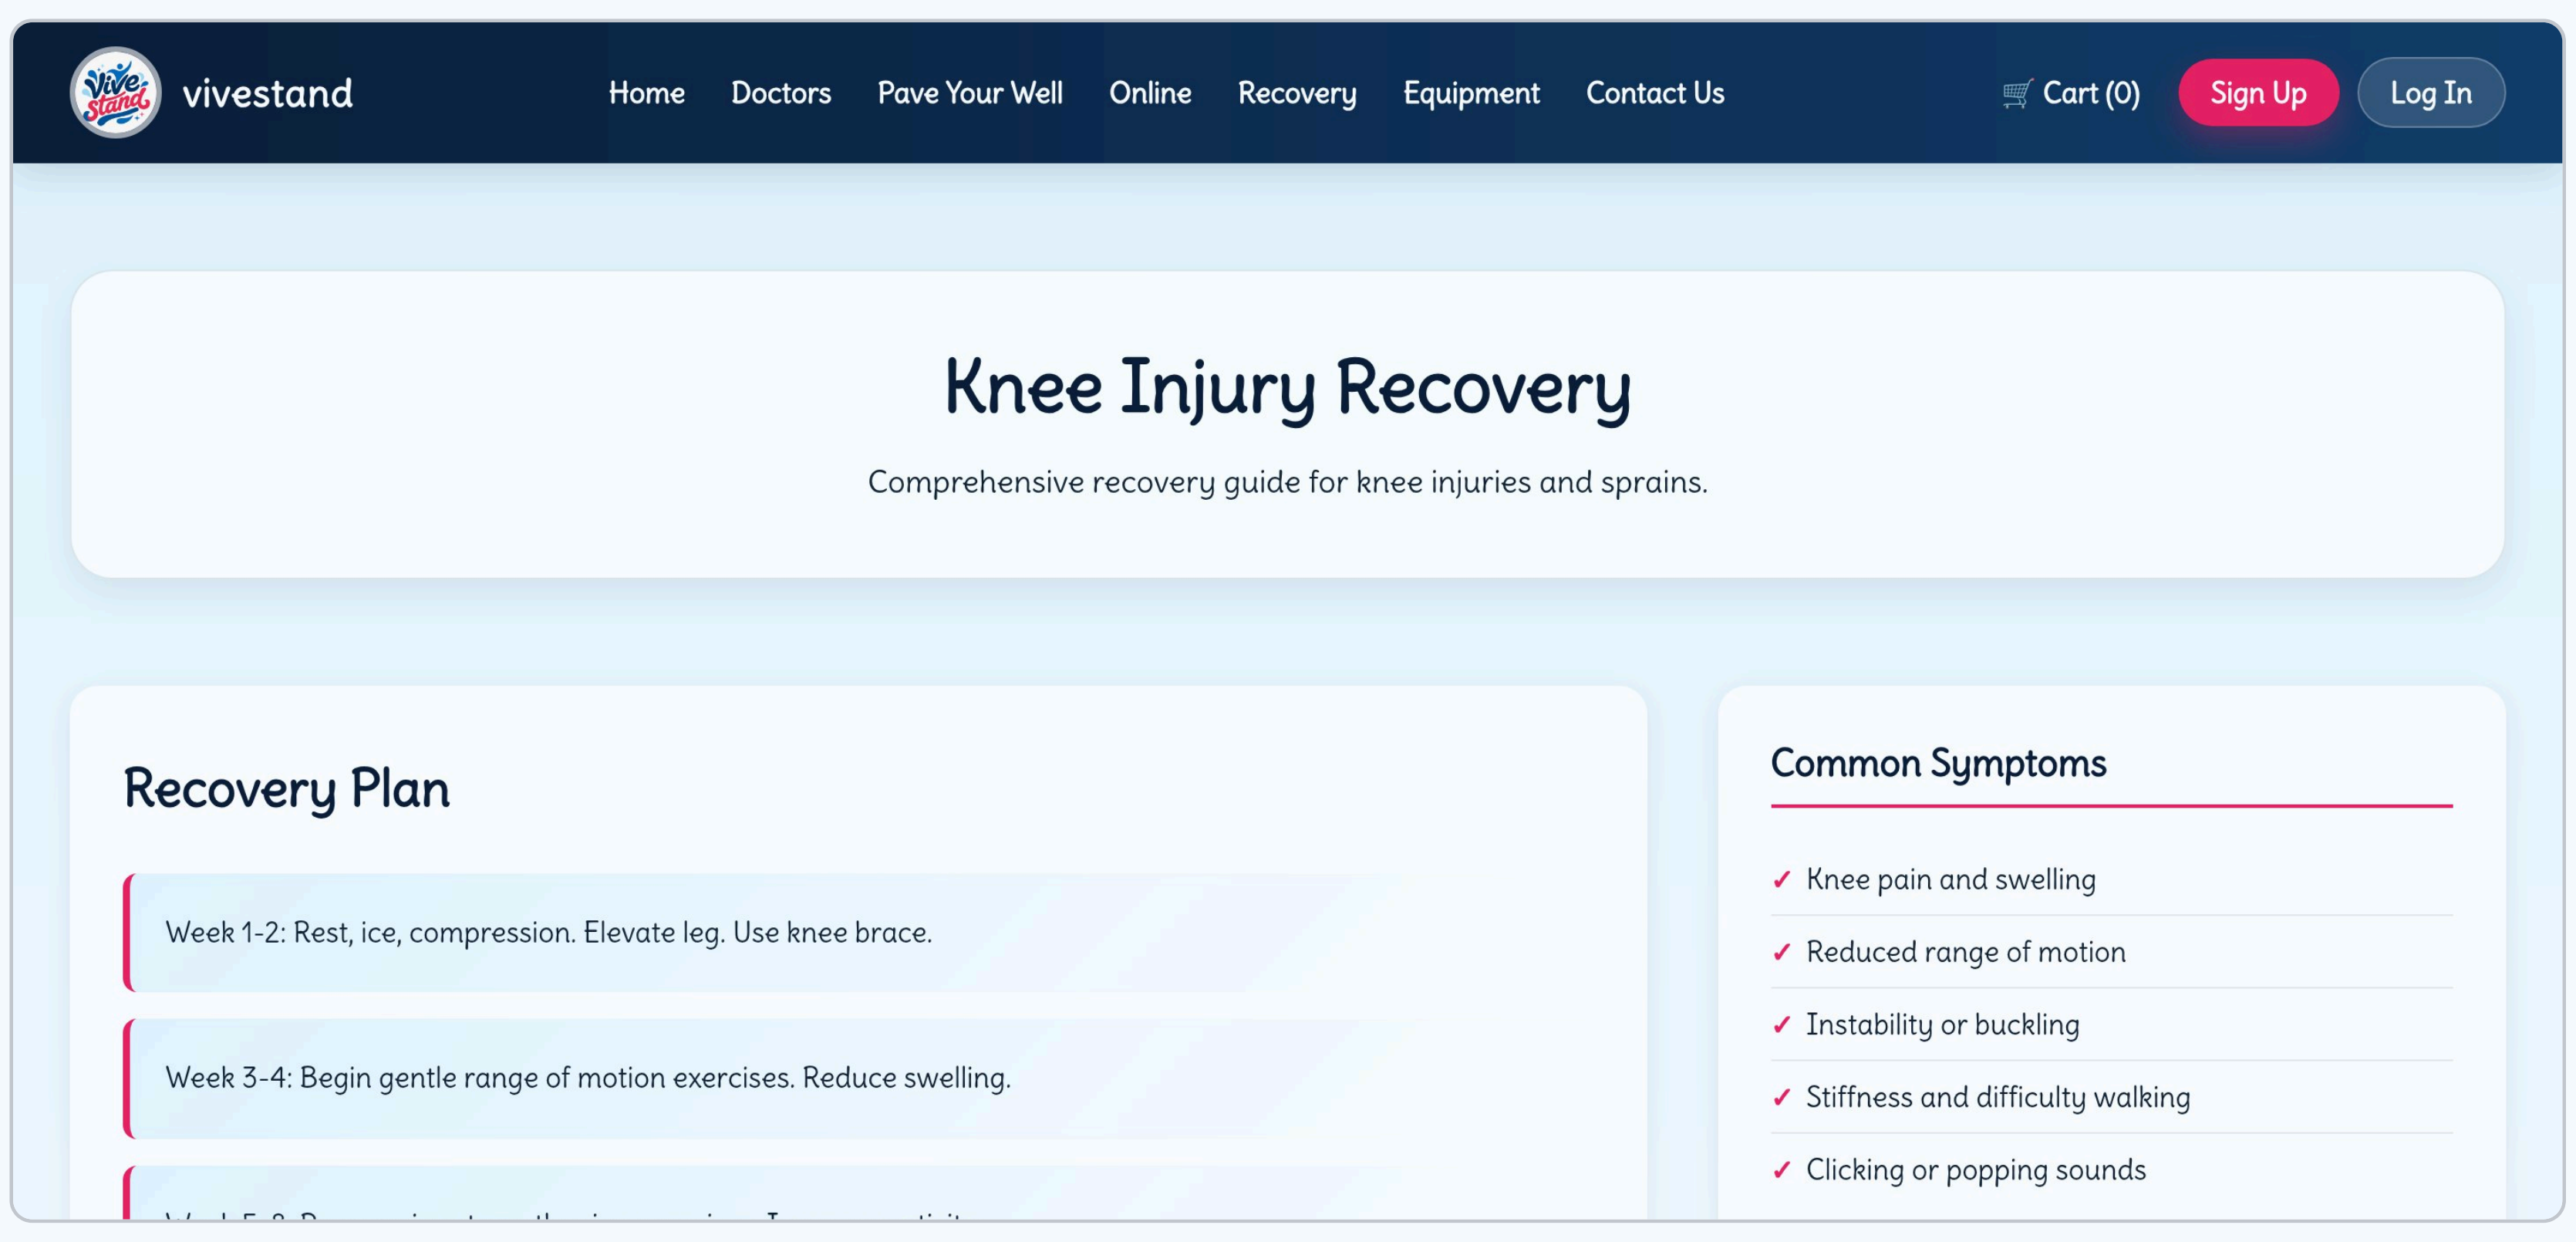
Athletes who get injured often don't know how serious it is, how long it takes to heal, or which doctor to see. Advice is spread across coaches, clinics and random websites, and new recovery gear is expensive.

OUR SOLUTION الحل

One place to recover

Vivestand puts a recovery plan for 20 injuries, 61 Egyptian sports doctors, a free first online session and second-hand gear on one website.

02 · SEE IT From injury to back in the game. من الإصابة إلى العودة للملعب



Knee Injury Recovery

Comprehensive recovery guide for knee injuries and sprains.

Recovery Plan

Week 1-2: Rest, ice, compression. Elevate leg. Use knee brace.

Week 3-4: Begin gentle range of motion exercises. Reduce swelling.

Common Symptoms

- ✓ Knee pain and swelling
- ✓ Reduced range of motion
- ✓ Instability or buckling
- ✓ Stiffness and difficulty walking
- ✓ Clicking or popping sounds

The knee page: a recovery plan in 4 stages, from rest and ice in weeks 1–2 to returning to sport, next to the common symptoms and prevention tips.

- **Pick your injury**
  20 injury cards on Home, from shoulder to ACL. Each opens its own page.
- **A plan for every injury**
  5 symptoms, 4 recovery stages and 5 prevention tips each.
- **Find a sports doctor**
  61 Egyptian specialists in 6 groups, a filter, and a 💬 chat.
- **A free first session**
  3 questions, a 10-minute timer, then book the next one for 300 EGP.
- **Train, eat and come back**
  A meal plan, exercises, a 7-day program, and a return-to-training plan in Arabic and English.
- **Second-hand gear**
  252 listings for 14 sports, a cart that remembers, and a delivery form.

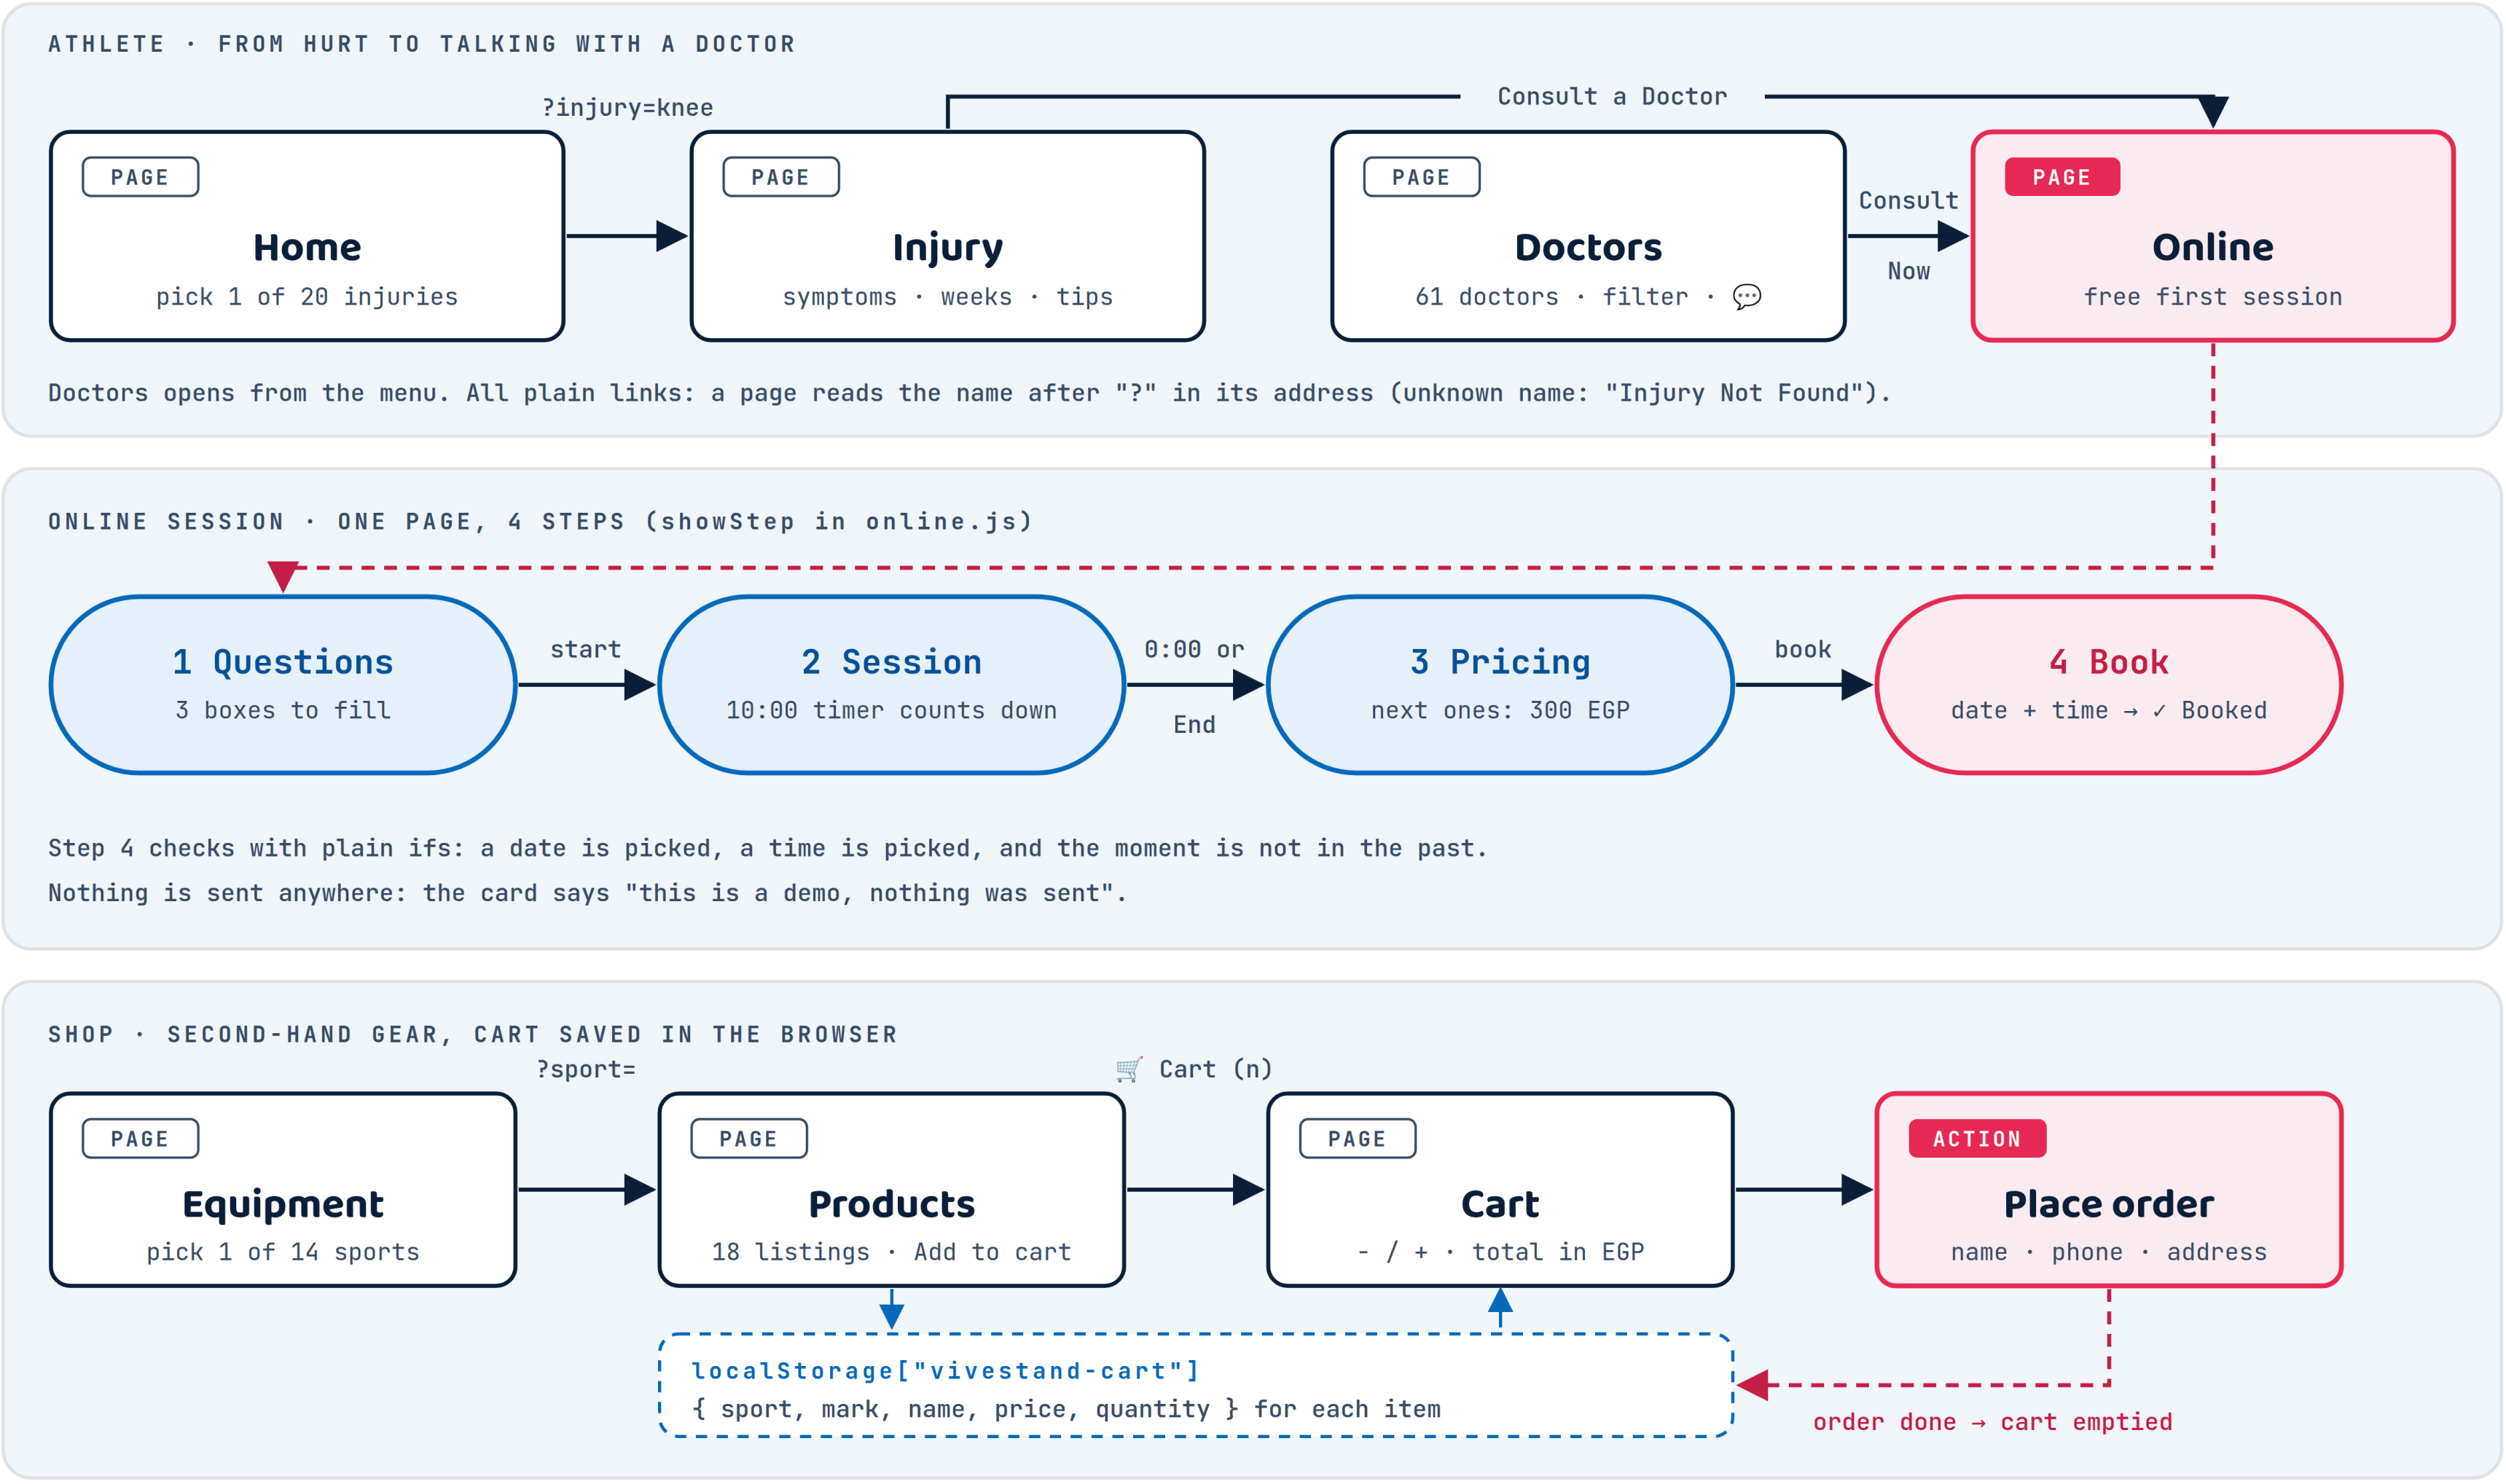
HOW AN ATHLETE MOVES



ATHLETE · FROM HURT TO TALKING WITH A DOCTOR

Home — pick 1 of 20 injuries → ?injury=knee → Injury — symptoms · weeks · tips → Consult a Doctor → Online

Doctors — 61 doctors · filter · 💬 → Consult Now → Online — free first session

Doctors opens from the menu. All plain links: a page reads the name after "?" in its address (unknown name: "Injury Not Found").

ONLINE SESSION · ONE PAGE, 4 STEPS (showStep in online.js)

1 Questions — 3 boxes to fill → start → 2 Session — 10:00 timer counts down → 0:00 or End → 3 Pricing — next ones: 300 EGP → book → 4 Book — date + time → ✓ Booked

Step 4 checks with plain ifs: a date is picked, a time is picked, and the moment is not in the past. Nothing is sent anywhere: the card says "this is a demo, nothing was sent".

SHOP · SECOND-HAND GEAR, CART SAVED IN THE BROWSER

Equipment — pick 1 of 14 sports → ?sport= → Products — 18 listings · Add to cart → 🛒 Cart (n) → Cart — - / + · total in EGP → Place order — name · phone · address

`localStorage["vivestand-cart"]`
`{ sport, mark, name, price, quantity } for each item`

order done → cart emptied
